## The Cause

Imagine what it must feel like to wake up Christmas Morning and find no gifts under the tree. Let's do our part to prevent this from happening to the children of Randolph County.

Our organization is given names by both the school system's counselors and social workers. We then help Santa shop for those children in Randolph County who will not have a Christmas. We raise money throughout the year and provide the children with gifts and a hot meal for the family the day the presents are handed out.

This is our tenth annual Operation Red Sleigh, Inc. Charity Bicycle Ride. Staggered start beginning at 8:00 a.m. SHARP and the Mini-K will begin at 9:30

There will be a wide variety of door prizes for almost every rider and a delicious lunch at the end of the ride!! Please check to see what you won and have some lunch on us.

## Regardless of your level of cycling this is your ride.
