All proceeds benefit **Operation Red Sleigh, Inc.** a non-profit organization whose goal is to provide Christmas gifts for underprivileged children throughout Randolph County.

Operation Red Sleigh, Inc. is a non-profit organization that began in 2000. Local law enforcement including NC Highway Patrol started the organization to assist families in Randolph County who were in need. Our organization is given names by the school system's counselors and we help underprivileged children in Randolph County who will not have a Christmas. We raise money throughout the year and provide the children with gifts and a hot meal for the family the day the presents are handed out prior to Christmas.

() YES, I/we would like to participate.
